center of Artisans D' Angkor. Founded in 1992, this organization creates job opportunities for young people from rural areas
while reviving traditional Khmer craftsmanship. Ancient techniques are still practiced here such as wood and stone carving,
lacquering, gilding, and silk painting.

DAY 2: Tuesday, 19 January 2027
Siem Reap – Angkor temples
Early morning at about 5.00 am, take a short drive to watch the sunrise at Angkor Wat, one of the modern wonders of the
world. You will then explore the site and be amazed by the sheer size of the temple and learn how the Khmer Empire
prospered between the 9th and 13th centuries, around the time when Angkor Wat was built. Stroll through the intricately
carved hallways that show hundreds of fine carvings and discover small shrines still in use today by the local people.
08.30 am, return to the hotel for breakfast.
Lunch at Indian restaurant.
Afternoon, visit the picturesque Ta Prohm temple. This beautiful temple is overgrown with fig trees, giving a haunting yet
exotic atmosphere. The magnificent roots of the trees have merged over the centuries with the temple's huge stone blocks,
emphasizing a 'forgotten city' feeling. Finally, you will explore Angkor Thom, the ancient royal city of the Khmer Empire with
its centerpiece; the Bayon temple. As you approach, you will notice the enigmatic faces of former King Jayavarman VII
looking in every direction. Your guide will take you to the Terrace of the Elephants, which served as a platform from where
the King could welcome back his victorious army, and the Terrace of the Leper King, which holds detailed carvings winding
along a narrow passageway that leads to the Baphuon complex.

Jayavarman II claimed independence from Java there in 802 A.D.
